CONSHOHOCKEN IS SINGLE STREAM RECYCLING

Conshohocken's Single Stream Recycling process allows all of your recyclable materials to be placed into one recycling container. The best part is you don't have to separate them. Hence we get the term 'Single Stream Recycling'.

All your plastic 1 through 7, glass bottles and jars, bimetal (tin) and aluminum cans, all paper, magazines and cardboard goes into one container.

Residents will see trash trucks collecting your recyclables. Rest assured the recycled materials are going to the recycling facility, NOT the trash-to-steam plant.

Any questions or inquiries go to:
www.conshohockenpa.org
Or Call
610-828-1092

Recycling Stickers are also available for any additional container that you may wish to designate for recycling.
