FEATURE STORY: EMERGENCY MANAGEMENT DRILL

On Saturday, June 22, 2019, the Borough of Conshohocken's Emergency Management Department held a large-scale active shooter training. After six months of planning, participating law enforcement agencies and emergency responders arrived on scene at Conshohocken Elementary at approximately 6:30 AM. Conshohocken Police, Fire, Emergency Management and Public Works began collectively prepping the scene and instructing participants on their roles, while FBI agents began performing safety checks and discussing protocol. Volunteer mock victims arrived shortly after and were dressed with artificial wounds to mirror injuries similar to what victims may suffer during an active shooter incident. At 9:00 AM police were dispatched to respond to an "active shooter" at the elementary school and the drill was officially underway.

"When I approached [Conshohocken Police] Superintendent Metz with the idea of planning and active shooter drill, neither he, nor I could have anticipated the level of response and cooperation we would receive," said Raymond Sokolowski, Conshohocken Emergency Management Coordinator.

Conshohocken Police Sergeant, Michael Conner, who is experienced in active shooter trainings, spearheaded all planning aspects of the drill with the help of Conshohocken's Emergency Management and Police Departments. Overall, the drill consisted of roughly 145 participants from local, county and state levels. It specifically included: Conshohocken's Emergency Management personnel; Conshohocken, West Conshohocken, Plymouth and Whitemarsh Police Departments; the Philadelphia Police Aviation Unit; the Sheriff's Department; Montgomery County SWAT Team; the FBI, Montgomery County Bomb Squad; both Conshohocken fire companies; Narberth Ambulance; the Montgomery County Department of Emergency Management; the Conshohocken Department of Public Services; and Administrative staff; as well as Conshohocken Borough Council and 25 volunteer victims.

"My one ask of Sgt. Conner was to include as many aspects of emergency response as possible. As planning progressed and after witnessing the outcome, Sgt. Conner far exceeded any expectations," said Mr. Sokolowski.

Sgt. Conner constructed four distinctive training scenarios where he successfully incorporated all participants in some way. Each scenario was larger than the one before. Montgomery County Bomb Squad and the Philadelphia Police Aviation Unit played important roles in the drill. Participants and spectators witnessed two Philadelphia Police helicopters dropping SWAT team members on the roof of the elementary school during the fourth and final drill.

"It was a unique training opportunity to participate in something at such a large scale. The knowledge we received from hands on training was invaluable, said Police Superintendent Metz. "Getting the chance to work with different agencies and learning their operational procedures was very helpful to our officers and first responders."

A training of this kind and of this magnitude is unusual for Conshohocken. Not only was it the largest training ever conducted in our Borough, it was also the largest ever done in Montgomery County for a municipality of our size. It provided valuable insight regarding the resources available from the county, state, Narberth Ambulance and our own Fire Department. It also broadened the communication between all emergency branches. Additionally, it opened doors for ongoing discussion on best practices in how to handle emergency situations and how to best disseminate information.

"The ultimate goal was to increase public safety with this training and we accomplished that," said Mr. Sokolowski. "We learned so much such as: where to set up a triage area; when and how to treat victims; where the command post would best function from; and what person or department is best suited to handle specific situations."

Following the training all participants gathered at the Conshohocken Community Center at the Fellowship House for discussion and lunch. The Department of Emergency Management will generate a full summary report from the feedback received from local, county and state participants so that we can continue to expand upon best practices and procedures in emergency situations.

"Thank you to everyone that helped make this drill come to life," said Mr. Sokolowski. "Conshohocken Police Sgt. and Deputy Emergency Management Coordinator, Dave Lennon, who played a dual role acting as a first responder and also running the Emergency Management Center; Officer Dave Phillips from the Plymouth Township Police Department; Conshohocken Fire Chief Tim Gunning; Chief Christopher Flanagan and Assistant Chief Bill Weber from Narberth ambulance who had 15 members participate; Heather Stem from Montgomery County Emergency Management; Carol Davis, Conshohocken Fire Police Captain; and Public Services Administrative Assistant Allison Flounders, who helped coordinate all aspects of the drill. I also want to thank our Borough Administrative Staff and Borough Council, who continue to volunteer their time to engage in Public Safety initiatives and participate in activities benefiting our community."

A MESSAGE FROM THE MAYOR

Conshohocken Plymouth Whitemarsh (CPW) Rotary Club and Social members of the Conshohocken VFW, and have found the experience, volunteer work and friendships invaluable. Below are just a few resources and opportunities available to residents to get involved:

The CPW Rotary Club is part of a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. Yearly Rotary events include partnering with the Colonial Neighborhood Council, creating Homeless Care Kits, Smiles for Guatemala and the Conshohocken Beer Festival fundraiser. To learn more visit cpwrotary.com or email cpwrotary@gmail.com. The Rotary Club holds two weekly meetings: Monday, 7:00 PM, at the Whitemarsh Art Center (100 Cedar Grove Rd) and Thursday, 7:30 AM at the William Jeanes Library (4051 Joshua Rd).

The Veterans of Foreign Wars (VFW) located at 300 E. 5th Avenue, help veterans every day in and around the Colonial School District. Every resident qualifies to join the post through three types of memberships: Active, Auxiliary, and Social. For more information, follow the post on Facebook [@vfwpost1074](https://www.facebook.com/vfwpost1074) or email vfwpost1074@gmail.com.

The Cub Scout Pack 104 accepts students from across the Colonial School District, including Conshohocken Elementary School. The pack welcomes boys and girls from kindergarten through fifth grade, and participates in a variety of activities, trips and games! The pack meets every Tuesday from 7:00 PM – 8:00 PM at Saint Mark's Church, 508 Harry St. Contact Russell Bland at conshycubpack140@gmail.com or 215-327-9028 for additional information.

The Kiwanis Club of Conshohocken is part of a global organization that empowers volunteers to improve the world by making lasting differences in the lives of our community members, especially children. The club meets every first and third Tuesday of the month at 6:30 PM at Andy's Diner, 505 Ridge Pike in Conshohocken. Meetings are open to the public. Contact Lori Tomczak for more information at conshykiwanis@gmail.com.

Conshohocken AMBUCS is dedicated to creating opportunities for people with disabilities to experience independence by performing community service. AMBUCS meets the fourth Tuesday of every month at 7:00 PM at the Great American Pub. Learn more at conshyambucs.org or Facebook [@ConshohockenAMBUCS](https://www.facebook.com/ConshohockenAMBUCS).

As we look toward the holiday season, I want to take this opportunity to highlight ways residents can give back through the many nonprofit organizations with Conshohocken. My wife, Sarah, and I are proud members of the

The Conshohocken Art League (CAL) is located at the Mary Wood Park House, 120 E. 5th Avenue, Conshohocken. CAL offers a series of varied, short workshops in which prospective students can experiment with exciting new modes of artistic invention at a low cost and under the instruction of professional artists. For more information, visit conshohockenartleague.org or contact conshohockenartleague@gmail.com.

The Hispanic Heritage Association of Southeastern PA (HHASEPA) was founded in Conshohocken with a mission to increase community awareness of Latino culture by sharing resources, planning events and lending support to local residents. For more information, follow [@HHASEPA](https://www.facebook.com/HHASEPA) on Facebook or contact Jacqueline Rocco at 484-510-6517 or info.hhasepa@gmail.com.

Finally, **Destination Conshohocken** is my volunteer committee, a nonprofit organization dedicated to expanding volunteer opportunities, promoting arts education and building community. Our major event for the year is the annual Conshohocken Arts Festival and Car Show, and we also offer programs that provide resources for suicide prevention and awareness. We meet every fourth Tuesday of the month at 7:00 PM at the Mary Wood Park House. For more information, visit ConshohockenMayor.com/dc or contact conshohockenartsfestival@gmail.com.

Please keep in touch by joining me on social media, reaching out via email, or stopping by during my office hours. I hope to see you in the neighborhood!

OFFICE OF THE BOROUGH MANAGER

- **Borough Manager: Stephanie Cecco**
- **Executive Assistant to the Borough Manager: Brittany Rogers**
- **Communications Manager: Kate Kosmin**
- **Monday – Friday: 8:30 AM – 4:30 PM**
The Borough Manager is the Chief Administrative Officer of the Borough and is responsible to Council for the administration of Borough affairs. All departments, offices, and agencies of the Borough are directed and supervised by the Borough Manager. She manages the day-to-day operations, administration, and execution of policies and objectives set by Borough Council. This department also oversees Borough Boards & Commissions, Right to Know Requests, Communications and Borough Special Events.

ADMINISTRATION SERVICES

- **(Includes Finance & Human Resources)**
- **Director of Administrative Services: Angela Orr**
- **Monday – Friday: 8:30 AM – 4:30 PM**
The Department of Administrative Services focuses on delivering quality, reliable, customer-oriented services to Borough residents. The Director of Administrative Services manages administrative and financial services; including human resources, and pension matters; finance records and transactions, insurance and records management. This Department is also responsible for the administration of all insurances, coordination and upkeep of all benefit contracts, and managing constituent and customer services.

SUBDIVISION AND LAND DEVELOPMENT

- **Stephanie Cecco, Borough Manager**
- **Brittany Rogers, Executive Assistant to the Borough Manager**
- **Gilmore & Associates: Karen M. MacNair, P.E. (Borough Engineer)**
- **Monday – Friday: 8:30 AM – 4:30 PM**
Subdivision and Land Development ensures the orderly, efficient and harmonious development of the Borough, including buildings, streets and open space. In doing so, the Borough can plan for the needs of the community while safeguarding natural resources and historic places. The goal of Subdivision and Land Development is to further the general welfare of residents by creating a convenient, equitable, healthful and attractive environment for present and future generations

POLICE DEPARTMENT

- **Superintendent of Police: George Metz**
- **Office Hours (non-emergencies) Monday – Friday: 8:00 AM – 4:00 PM**
The Conshohocken Police Department is committed to providing protection and services within the Borough on a 24-hour-a-day basis, with a strong emphasis on public safety and community awareness. The Police Department also provides several community outreach programs that benefit Conshohocken residents.

PUBLIC SERVICES DEPARTMENT

- **Executive Director of Operations: Ray Sokolowski**
The Department of Public Services delivers community services through four divisions: Emergency Management, Fire Services, Licenses & Inspections and Public Works.
 - **EMERGENCY MANAGEMENT:**
Emergency Management Coordinator: Ray Sokolowski
Monday – Friday: 8:30 AM – 4:30 PM
Emergency Management develops and maintains the Borough's emergency operation plans and standard operating procedures.
 - **FIRE SERVICES:**
Fire Chief & Fire Marshal: Timothy Gunning
Monday – Friday: 8:30 AM – 4:30 PM
Fire Services performs annual fire inspections on fire alarms, sprinkler and suppression systems in commercial buildings throughout the Borough. In the event of an emergency in Conshohocken, it also conducts inspections of damaged areas, assists with equipment, and coordinates supplies and response efforts. Emergency Fire Services are provided by the Conshohocken Fire Company No. 2 and the Washington Fire Company No. 1. Emergency Medical Services are provided by Narberth Ambulance, Medic 313.
 - **LICENSES & INSPECTIONS: Monday–Friday: 8:30 AM–4:30 PM**
Licenses & Inspections is responsible for regulating various business activities through permits, licenses, certificates, and inspections to facilitate code enforcement and compliance, and decrease code violations.
 - **PUBLIC WORKS: Monday – Friday: 6:30 AM – 3:00 PM**
Public Works operates as three divisions: Parks, Landscaping & Grounds; Streets and Sanitation; and Facilities. To learn more about what each division does, visit the Public Works page on the Borough website.

RECREATION SERVICES

- **Director of Recreation Services: Lauren Irizarry**
- **Visit conshohockenrsp.recdesk.com for hours of operation and daily schedule of activities**
The Recreation Services Department is responsible for the daily operations of the Community Center at the Fellowship House: along with providing a wide range of recreational programs, events, fitness, and wellness opportunities and other fun activities for the public at all Borough recreational facilities and parks.

ZONING & COMMUNITY DEVELOPMENT

- **Zoning & Community Development Officer: Christine Stetler**
- **Monday- Friday: 8:30 AM – 4:30 PM**
Zoning regulates development and helps implement the goals of our Comprehensive Plan. Particularly, zoning refers to the division of the Borough into various districts, in accordance with the official Zoning Map. Rules for each zoning district are outlined in the Zoning Ordinance, which includes regulations governing off-street parking, landscaping, signs, fences and accessory structures. The Borough's Zoning & Community Development Officer also oversees Conshohocken's Housing Rehabilitation Programs, which assists low and moderate-income homeowners in bringing their homes into code conformance in order to enable more comfortably and safe living.

SATURDAY, SEPTEMBER 21, 2019

Funfest will be held on Saturday, September 21, 2019 from 12:00 PM to 8:00 PM. A stage will be located at 1st Avenue and Fayette Street for live music throughout the day; local businesses and restaurants are welcome to sell directly on the street to participate in the event; craft/handmade vendors, businesses, community groups and sponsor tables will span Fayette Street from 2nd to 4th Avenue; and a two block children area filled with games, inflatables and a touch a truck section will be available from 4th to 6th Avenue along Fayette Street. All children activities from 4th to 6th Avenue will break down at 6:00 PM and live music, vendors and local food and drinks will continue until 8:00 PM! For more information visit www.conshyfunfest.org.

Vendor Participation Those interested in hosting a table on Fayette Street during the event should complete a Participant Application, which can be found at www.conshyfunfest.org. Completed forms and payment must be received no later than Friday, September 6, 2019. There are a limited number of spaces available and all spaces are filled on a first come, first serve basis. We suggest sending your forms in as soon as possible with payment to retain a spot!

Sponsorship Opportunities If you are interested in becoming a sponsor of Funfest please contact us at 610-828-1092 to discuss our sponsorship opportunities, or complete and return a sponsorship application. Go to www.conshyfunfest.org!

Event Details

Date: Saturday, September 21, 2019

Location: Fayette Street (1st to 6th Ave)
Note: 1st to 2nd Ave will remain open until 8 PM

Music Lineup:

12:00 PM – 1:00 PM: Jamie Salvatore
1:30 PM – 3:30 PM: River of Dreams
4:00 PM – 6:00 PM: The Zone
6:30 PM – 8:00 PM: Radio Nashville

POLICE DEPARTMENT

CONSHOHOCKEN POLICE STATION: 400 Fayette Street, Suite 100 (1st floor), Conshohocken, PA 19428

Office Hours: Monday – Friday | 8:00 AM – 4:00 PM

Phone: 610-828-4032 | **Fax:** 610-828-5243 | **Emergency:** 911

Annual Holiday Drives

The Conshohocken Police Department will conduct its annual food drive at Thanksgiving and annual toy drive around the Christmas holiday. If you know of a family that could benefit from our Thanksgiving meal drive please contact the Police Department at 610-828-4032. If you're interested in donating to our annual toy drive, locations for toy drop offs will be advertised closer to the holiday season. The lobby at Borough Hall is always a drop off spot for toys.

Snow and Ice Removal

Saving parking spots with items like trashcans and or furniture is prohibited by ordinance and prompt removal of snow and ice from your sidewalks is required. Please remove the snow and frost completely from the surfaces of your car and windows. Sadly, failing to clear windshields was a factor in a pedestrian accident last year. Failing to do so is a violation of the Pennsylvania Vehicle Code.

Always Drive Defensively

Pedestrians are strongly urged to cross Fayette Street at intersections that have a traffic signal. Vehicular traffic is also strongly urged to cross or make left hand turns onto Fayette at a traffic signal. Crossing at, or turning from an intersection with a traffic light would enhance the safety of motorists and pedestrians alike.

The Borough Council and Administration thank the businesses that appear in this newsletter and recognize each as supporters of our community. For it is with their participation that this newsletter has been published at no cost to our residents.

COMMUNITY DEVELOPMENT

Fair Housing – Did You Know!

Did you know that if you believe that you have been denied housing you have the right to appeal? If you think you have been discriminated against; do you know who to contact to discuss the problem or file a complaint?

You may have been discriminated against; if you were denied housing because of your race, sex, sexual preference, national origin, religion, age, have children, have a disability, or use an assistive animal due to your disability. You also may have been discriminated against if for any of these reasons listed above; you are directed to housing in a specific area, directed to a specific type of housing, required to pay additional deposits or fees, are told a property is no longer available when it clearly still is available, or are given different information when viewing a property or meeting a landlord.

Residents can seek information regarding potential discrimination by contacting Conshohocken Borough staff, the Conshohocken Human Relations Commission at 610-828-1092; or the Housing Equality Center of Pennsylvania at 866-540-Fair (3247) or info@equalhousing.org. These organizations can answer questions and/or direct you to where a complaint can be filed.

Complaints regarding discrimination in housing can be filed with the following organizations:

Pennsylvania Human Relations Commission
Philadelphia Regional Office
110 North 8th Street, Ste. 501
Philadelphia, PA 19107
215-560-2496
TTY – 215-560-3599

US Dept. of Housing and Urban Development
FHEO/Region III Office
100 Penn Square East, 12th Fl.
Philadelphia, PA 19107
215-861-7643
800-927-9275

Housing Rehabilitation Program

The Borough of Conshohocken’s Housing Rehabilitation Program has been in existence for over four decades. During that time the Program has assisted hundreds of Conshohocken homeowners to bring their homes into code conformance in order to enable them to live more comfortably and safely.

Roof repair, window and door replacements, electrical upgrades, sidewalk repair, as well as handicap accessibility, are some of the items the Program can provide to eligible single-family homeowners. The Program now is a four-year Deferred Loan Program, which declines by 25% each year. Program funds are received from the Pennsylvania Department of Housing and Community Development.

New Housing Rehabilitation Income Guidelines

Your income must be below the following limits and includes your salary, pension, Social Security, child support, and interest on assets:

NUMBER OF PERSONS IN HOUSEHOLD

| | |
|-------------------------|-------------|
| 1 Person Household..... | \$50,500.00 |
| 2 Person Household..... | \$57,700.00 |
| 3 Person Household..... | \$64,900.00 |
| 4 Person Household..... | \$72,100.00 |

There are additional increases in the maximum permitted income for larger sized households.

Other Requirements:

- You must be a Borough of Conshohocken resident.
- You must own and occupy a single-family residence.
- Your taxes and sewer fees must be current.

There are further increases in income limits based on additional family members. The Housing Rehabilitation Program provides one-time assistance only. If the program has provided services in the past, additional work on the same property is not permitted.

If you are interested in obtaining more information regarding the Housing Rehabilitation Program, you may contact Ms. Christine M. Stetler, the Borough’s Zoning Officer and Community Development Coordinator at 610-828-1092, or Nancy R. Nugent, the Program’s Intake Coordinator at 610-246-3979.

ENGINEERING

How Can I Help Control Stormwater On My Property

Have you ever wondered what you can do to help control stormwater on your property? There are many different small projects you may be able to tackle on your own! Here are just a few ideas:

RAIN BARRELS:

Rain barrels connect to downspouts to capture and hold water until it can be reused to water lawns and gardens. For rain barrels to be effective at controlling stormwater, it is important to have a plan for using the water before installing one and to empty the barrel between rainstorms.

PLANTING TREES:

Planting a tree is a great way to reduce stormwater runoff. Studies have shown that evergreen trees typically absorb more water than deciduous trees but any tree will help! If you have the space, plant a tree and you can help remove pollutants, recharge the groundwater and, with a little planning, even create added privacy for a backyard oasis!

PLANTERS, GARDENS, OR LANDSCAPED BEDS:

If trees aren't an option on your property, adding other types of plants is a great alternative. Any areas where lawn can be replaced with ornamental grasses, flowers, or shrubs will have a positive impact on controlling stormwater on your property. Landscaped areas, whether large or small, increase the ability of land to absorb water.

PERVIOUS PAVERS:

If you are thinking about upgrading your driveway, front walkway, or back patio, consider using pervious pavers that absorb, manage, and reduce stormwater runoff. Pervious pavers look very similar to traditional hardscapes but they are installed on top of a thick layer of stone so that they can store water until it soaks into the ground.

FIRE SERVICES

Thanksgiving Holiday Safety

Home Cooking Fires Peak on Thanksgiving Day

Home cooking fires are three times more likely to occur on Thanksgiving Day than any other day of the year. It's easy to get wrapped up with guests; however it is imperative that cooking never be left unattended. Keep a three-foot "kid free" zone around all cooking appliances and never hold children while cooking. Turn all handles toward the inside of the stove. Avoid wearing any loose clothing that could ignite. Keep all combustible items away from the stove and clean the stovetop of food and grease. The popularity of turkey fryers has increased as well as the number of fires and injuries from them. Fryers can easily tip over, overflow, overheat and ignite if they are overfilled. Follow all manufacturers' directions and safety instructions.

Winter Holiday Safety

Christmas trees that are not kept hydrated can present a very serious fire hazard. A dried out Christmas tree can be totally consumed by fire in less than 30 seconds. Take special precautions when buying your Christmas tree. Trees with brown shedding needles should be rejected. If the tree looks green and fresh, take a long needle and bend it between your thumb and forefinger. If it snaps, the tree is too dry. Look for trees with needles that bend. When the trunk of a tree is bounced on the ground, a shower of falling needles shows that the tree is dry. When you bring a tree home, cut about an inch off the end of the trunk. This will remove the dried end and allow the tree to absorb water. Make checkerboard cuts into the base at different angles to make a greater surface for water absorption.

Always turn off lights on trees and other decorations when you go to bed or leave your home. A short circuit in any of this equipment could cause a fire. Never use electric lights on a metallic tree. Damaged insulation in lighting on a metallic tree could cause the entire tree to be charged with electricity. To avoid this danger, use colored spotlights above or beside a metal tree, never fastened onto it. Keep children away from light sets and electrical decorations. All lights present the problem of shock and casualty hazards for curious kids. When you are stringing the lights on your tree, be careful how you place them. Keep all bulbs turned away from gifts and paper ornaments. Lights in windows can cause curtains and drapes to ignite.

Fire Prevention Demo

DETAILS COMING SOON!

Be sure to check the Borough's website and social media pages for details on date, time and location for the 2019 Fire Prevention Demo.

PUBLIC SERVICES DEPARTMENT

Public Works

Trash & Recycling Cart Updates

This past May, the Department of Public Services began phase one of integrating a semi-automated trash and recycling collection system. Public Services worked diligently to assemble, tag and distribute new trash and recycling carts to all eligible Borough properties, completing the first round of major deliveries before July 1, 2019.

The new carts are a major change to the collection system within the Borough's Public Works Department. Previously, employees had to lift heavy trashcans, many weighing more than 50 pounds, by hand. This led to frequent injuries and often left Public Works operating at a deficient in manpower. Now, the new trash carts allow the collection to be semi-automated.

This transition required a substantial effort from both of the Borough's Public Works and Administrative staff. This included giving up time on weekends to hand deliver informational letters and flyers, assembling and delivering new carts. In addition, members of Conshohocken's Environmental Advisory Committee (EAC) happily volunteered their time on a Saturday morning to help hand out informational material to residents.

"Significant changes to any operation always bring about unforeseen challenges. The Borough will continue to work with residents to address their concerns in the hope that most can be resolved. Thank you to residents for their patience through this transition and while we addressed concerns," said Mr. Solokowski, Executive Director of Operations.

The final shift to a semi-automated collection system will begin on September 9, 2019. On this date, approved containers must be used for all residential trash and recycling, unless other arrangements have been made, and approved, by the Public Services Department. Unapproved containers will be tagged for no future pickups until the residence comes into compliance.

2019 Holiday Solid Waste & Recycle Collection Schedule

When a holiday falls on a Saturday or Sunday, it is observed on the following Monday. When your trash and recycle collection day falls on a holiday, your recyclables will be collected on Wednesday and your trash will be collected on your next scheduled collection day.

| | | | |
|------------------------------|-----------------------------|----------------------------------|------------------------------|
| LABOR DAY | Monday, September 2, 2019 | DAY AFTER THANKSGIVING | Friday, November 29, 2019 |
| COLUMBUS DAY | Monday, October 14, 2019 | CHRISTMAS DAY | Wednesday, December 25, 2019 |
| VETERANS DAY, OBSERVED | Monday, November 11, 2019 | NEW YEAR'S DAY | Wednesday, January 1, 2020 |
| THANKSGIVING DAY | Thursday, November 28, 2019 | MARTIN LUTHER KING JR. DAY | Monday, January 20, 2020 |

Trash Collection Rules and Regulations:

Trash collection rules and regulations will be updated in 2019.

All Borough issued trash and recycle carts must be put into use by **September 9, 2019.**

Trash and recycle cans that do not have 2 wheels, a metal lift bar, and an attached lid are no longer permitted for use.

- There is a limit of 4 cans/bags per household per pick-up (200 pounds maximum)
- Each can/bag is not to be heavier than 50 pounds.
- Needles, syringes, lances and other sharp objects should be placed in a metal container with a secure lid so as not to be a hazard.
- Please place your cans/bags at curbside on your property no earlier than 5:00PM the night before and your cans must be removed from curbside no later than 7:00PM the day of collection.
- No clean-outs or move-outs unless prearranged 24 hours in advance. Please call (610) 828-1092.
- No construction debris or carpet unless prearranged 24 hours in advance. Please call (610) 828-1092.
- Trash will be left curbside and 'red tagged' if deemed to be too heavy, improperly placed, or in an unapproved container. Trash that is left should be returned to the property before 7:00 PM.

Yard Waste Collection Rules and Regulations:

Yard waste stickers are available at the Borough office to convert your old blue recycle bin into a container for yard waste disposal.

All residents must participate in the Borough's recycling programs by separating their recyclable material from their regular trash. Yard waste is recyclable, therefore the separation and collection of this material is mandated by the Commonwealth of Pennsylvania and Conshohocken Borough.

- Weeds, leaves, brush and plants should be placed in biodegradable paper composting bags. Please no trash in these bags.
- Each bag should not to be heavier than 50 pounds.
- Tree branches under five (5") in diameter, not exceeding five (5') in length, are to be securely tied into bundles and should not to be heavier than 50 pounds.
- Christmas trees. No decorations, tree stands or plastic tree bags.
- Please place your bags, and/or bundles at curbside on your property no earlier than 5:00 PM the night before.
- There is no limit of yard waste collected that is determined to be reasonable by the Borough.

GRASS CLIPPINGS NO LONGER ACCEPTED WITH YARD WASTE COLLECTION

There are several options for recycling your grass clippings, here are a few ideas:

- Leave on your lawn to act as a natural fertilizer.
- Use them to fill raised vegetable gardens or flower beds.
- Spread them as mulch around the base of trees, shrubs, or potting soil.
- Add them to your compost pile as a source of "green" high nitrogen material.

Conshohocken Is Single Stream Recycling

Single stream recycling allows all of your recyclable materials to be placed into one recycling container. The best part is you don't have to separate them! Hence we get the term '*Single Stream Recycling*.' Residents will see trash trucks collecting recyclables. Rest assured recycled materials will go to the recycling facility, NOT the trash-to-steam plant. Recycling carts should be left out before 7:00 AM on collection day, at the front edge of your property or nominated collection point.

PUBLIC SERVICES DEPARTMENT CONTINUED

Fall Leaf Collection

The Borough of Conshohocken was one out of 195 municipalities to receive 902 grant funds from the Pennsylvania Department of Environmental Protection (DEP) in 2018. Conshohocken was awarded \$212,363, which was used to purchase a Swap Loader truck. The addition of this new vehicle will mean a significant improvement to the Borough's leaf and yard waste recycling program. Along with a leaf vacuum chassis, it will include a commercial wood chipper attachment that will eliminate the need to rent equipment for fallen trees or limbs. It can also be used for snow plowing and salting, clearing out storm water inlets, and aiding in potential emergency type situations.

We hope to have the new Swap Loader truck in use for leaf collection this season. Public Works collects fall leaves beginning in October and ending in December. The fall leaf collection schedule will be posted on the Borough's website just prior to the start of collection.

Leaf Collection Rules and Regulations:

- Leaf pile may extend along the length of your entire property. Please rake your piles to the curb but not into the street.
- Do not mix limbs, brush, and other debris in the leaf piles. This may result in damage to equipment and injuries to employees.
- Adverse weather conditions may cause delays on posted leaf collection dates.
- Once the leaf-collecting machine passes it will NOT return.
- Leaves will not be collected in the trash. Trash with leaves commingled will not be collected.
- Motorists should obey the posted 'no parking' signs and be cautious on all roads during leaf collection season

Christmas Tree Recycling

Public Works will begin collecting and recycling Christmas trees with yard waste on Wednesday, December 30, 2019. Please put used Christmas trees out on Tuesday night before Wednesday yard waste pick-up. All tree bags, ornaments, lights and stands must be removed. Collected trees are chipped and composted.

Snow Removal

When it snows our goal is to clear all Borough and state roads within six to 10 hours after snow has stopped falling. Please refrain from parking on the street if you have off-street parking available. This allows Public Works to clear more snow from the road. Residents should clear their sidewalks after plowing has been completed. A three-foot-wide path on the sidewalk must be cleared on your property within 24 hours after the snow has stopped. Don't forget your crosswalks, handicapped ramps, and alley crossing. The Borough does not plow snow in alleys.

It is illegal to shovel, throw or plow snow from sidewalks onto street parking, driveways, allies and into the street or right-of way. Dumping snow or ice on Borough property, or plowing snow across a street is also prohibited. When the Mayor declares a Snow Emergency, remember to remove your vehicle from any posted "Snow Emergency Routes." Vehicles must be removed until after the parking lanes have been completely cleared.

Licenses & Inspections

The Licenses & Inspections Department personnel work diligently to preserve and protect the health, safety and welfare of the public throughout all facets of property ownership, residency, development, construction and business operation within Conshohocken Borough.

Frequently Asked Questions

Do I need a permit for...?

Any work beyond a basic repair or a non-structural alteration may require a building permit issued by the Borough's Building Code Official for both residential and commercial properties. The best course of action is to contact the Borough at (610) 828-1092, and ask a building inspector if a permit is required for your project. Be prepared to provide a detailed scope of work for the project, and identify the property as residential or commercial. Change in use may require zoning approval.

Am I responsible for maintaining the alley behind my house?

Yes. Typically, the property owners on each side of an alley are responsible to maintain to the center of the alley for the width of each respective property. This includes the alley pavement surface (e.g. potholes), as well as grass, weeds, trash, etc., that may be found in an alley, regardless of how it ended up there. Weeds on the other side of your fence along the alley are still part of your property, and therefore your responsibility to trim and/or spray. The Borough does not plow snow in alleys.

Why does the Borough need to inspect the home I'm selling?

Borough Ordinance Chapter 11, Part 1 governs Transfer of Real Estate and Real Estate Certification. Per §11-111, anyone selling a property in the Borough is responsible to certify that there are no uncorrected violations of any housing, building, zoning, and safety or fire codes. The Borough performs an inspection based on a Real Estate Certification Checklist, which was adopted by Borough Council and records any apparent violations. It is required that all violations be corrected prior to settlement, or the responsibility to correct said violations may be transferred to the buyer, who will have 12 months to complete the work. The terms of such a transfer are private and fall outside of the Borough's authority.

Where exactly is my property line?

Absent physically apparent monuments or property corner pins, the Borough cannot independently verify property lines on behalf of private property owners. Property owners are encouraged to engage a Professional Land Surveyor to prepare a site plan and physically set corner markers. This information is useful for locating potential property improvements such as fences and garages, laying out additions to the primary structure, and to satisfy property line disputes, if necessary. Plans for newer homes may be available at the Borough office. File a Right-to-Know Request, and the Borough staff will search the archives.

How do I register a new rental property?

Borough Ordinance Chapter 11, Part 2 governs Residential Rental License Permits. Visit the Borough website and download the *Rental Packet for New Rentals* from the "Forms" list under the Permits & Licenses section.

Property Maintenance & Safety

As a property owner, you are responsible for mowing, trimming and spraying, as necessary to keep your property, as well as the public street frontage, clean and safe. The illustration below highlights some of the requirements for private maintenance of public rights-of-way.

The Borough is in the process of amending an ordinance to require house numbers on both the front and rear of houses with alley access. This requirement will be addressed during the rental inspection and use & occupancy permit process. Stay tuned for more information.

For more information related to services provided by the Borough of Conshohocken Department of Public Services please visit our website: www.conshohockenpa.gov.

RECREATION SERVICES DEPARTMENT

Live, Work & Play!

Creating Community Through People, Parks and Programming!

Welcome to the Department of Recreation Services. Our Department's mission is to "enhance the quality of life for all residents through physical, mental, cultural, social and environmental development."

2019 has already been a busy year for the Department of Recreation Services. We have added events such as a Movie in the Park, a BBQ luncheon for seniors, and saw an increase in families attending. This summer we also hosted our very own summer day camp and what a success it was! Themed weeks, weekly swimming, camp games and trips rounded out the daily schedule. Read on to learn more about the programs, events and activities taking place this fall and winter!
