PARKMOBILE TO SOON INTRODUCE MOBILE PARKING PAYMENT SOLUTIONS TO THE BOROUGH OF CONSHOHOCKEN

Conshohocken, PA – November 7, 2017 – Parkmobile, LLC, the leading provider of mobile parking solutions in the US, will soon be launching its solution in the Borough of Conshohocken, allowing customers to use their mobile devices to pay for parking. The service will be available the week of November 13th at approximately 150 metered spaces in the downtown area.

The Parkmobile app will be available for download for iPhone, Android, or Windows phones, or online at www.parkmobile.com. Users can employ the app to locate and pay for parking, as well as increase their meter, depending on the maximum allotted time at the meter.

As the most widely used mobile parking solution in the country with more than 7 million people using Parkmobile's services over 45 million times per year, Parkmobile is excited to make a difference leveraging our large network of users. Parkmobile's mobile payment solution is an added payment option and is intended to complement existing parking payment options. All existing forms of payment (credit and debit cards, coins, and bills) are still valid for meter use.

Parkmobile is currently available in surrounding areas including Pittsburgh, State College, Philadelphia, Harrisburg, Intercourse, Lancaster and New Hope.
