Dear Conshohocken Residents,

Welcome to the 2018-2019 fall/winter Recreation Services Activity Guide! We hope that you have enjoyed your summer and were able to take advantage of visiting our parks and playgrounds or take part in one of our events or programs.

As many of you are aware, the Conshohocken Borough Parks have seen revitalization with the latest being Mary Wood Park. Our Public Services Department worked diligently on this project and finish the park even when the weather was not cooperating. Since its opening, our residents have been enjoying what the new park has to offer. The Mary Wood Park Playground features a pavilion available for rentals, a 75’ zipline, 6-23 months play area, 2-5 year old play area, and 5-12 year old play area.

As the new Director, my focus is to enhance the quality of recreational opportunities that meets the diverse needs of this community and its members. This fall and winter, the Recreation Services Department will roll out new programs such as a drama club and science workshops to its own fitness classes ranging from youth to seniors. The Community Center at the Fel will also be hosting informational seminars such as Medicare Planning, Wellness Workshops, etc. Our Department will, of course, keep the programs and events that have been a success, i.e. Senior Bingo, Winter Wonderland, and our Senior Holiday Luncheons. There will be something for everyone!

Make sure you check out why Conshohocken is a community where you can LIVE, WORK, and PLAY! Feel free to contact the Conshohocken Community Center at the Fel to speak with one of our staff members, 610-828-3266 or visit https://conshohockenrsp.recdesk.com to view the new programs and events.

Sincerely,

Lauren Irizarry

**Ballet by Lawren**

In this Beginner’s Ballet program, students will be taught the fundamentals of Ballet to include, but not limited to, the five positions, basic vocabulary and skills, stretching and classroom etiquette. Students will learn range of motion, discipline, body awareness, balance, flexibility, posture, coordination and endurance. They will also learn how to work as a group, cooperate, perform, interact, support and respect one another.

**Kids Yoga with Mary**

Kidding Around Yoga (KAY) specializes in sharing yoga and meditation with children. This particular class at the Community Center is for ages 4-9. Mary will use music, games, as well as other tools and activities to help children focus their minds, stretch their bodies, and deepen their breath; all while having loads of fun. Yoga and meditation has been considered, for a long time, a wonderful means of stress management. KAY uses a system based on the classical study of yoga and transforms it into an experience for children to both introduce them to yoga as well as inspire them to develop a practice to take with them in their everyday lives.

**Mad Science Workshops**

Mad Science brings kids the fun, the amazement and the wonder of all things science. Mad Science workshops teach kids about how fun science can be, and it helps spark their imaginations. Choose between three different workshops or register for all! Each one will be unique and different.
