The Borough of Conshohocken Zoning Hearing Board
Entry of Appearance as a Party

Persons who wish to become parties to the application must notify the Borough of their intent to ask for party status at least five (5) days prior to the scheduled hearing by emailing the below entrance of appearance form to zoning@conshohockenpa.gov. Said persons must be available to participate in the zoning hearing on the scheduled date and time. It is noted that submitting the attached entry of appearance form does not guarantee that you will be granted party status. The Zoning Hearing Board decides who may participate in the hearing before it as a party, subject to Section 908(3) of the Municipalities Planning Code (MPC). The MPC permits party status to any person “affected” by the application. Having taxpayer status alone is not enough to claim party status; however, a person whose property or business abuts the property that is the subject of the appeal is affected and should qualify as a party. Ultimately, the ZHB makes the party status determination after reviewing the request.
